CARTE POSTALE. POSTKARTE.

By Appointment.

Burn's Monument stands amid a carefully tended flower-garden in the immediate vicinity of "Auld Alloway Kirk", the "Auld and New Brigs o' Doon", and many other interesting spots connected with the famous poet. The monument takes the form of a Grecian Temple containing various relics, including a Bible said to have been presented as a parting gift by Burns to "Highland Mary". Statues of characters associated with Burns also have place in the garden.
